- vii.** Higher National Diploma in Science Laboratory Technology (Chemistry with Electronics Option) 4 Semester

### **Entry requirement**

#### **1. National Diploma in Science Laboratory Technology (NDSLTL)**

- a.** English Language, Mathematics and two Subjects from Physics, Chemistry, Biology and one other subject from Agricultural Science/ Health Science/Animal Husbandry, Chemistry, Technical Drawing, Metal. Or Wood Work, Basic Electricity, Geography, Further Mathematics ICT /Computer Studies, Food and Nutrition, and Fine Art .at least a pass in each of the three basic Sciences, Biology, Chemistry and Physics is Compulsory, plus relevant NTC/NBC.

#### **2. Diploma pharmaceutical Technology (DPT)**

The entry requirement into Diploma pharmaceutical Technology programme are as follows;-

- a. Four Credits in WAEC,NECO,NABTEB,or GCE at not more than two sittings

The four subjects must include Mathematics,Chemistry,Biology,and any other subjects from: Physics, Agricultural science, Geography,Animal husbandry,ICT at least Passes in English language and physics is Compulsory

### **3. Higher National Diploma IN Science Laboratory Technology (HNDSLTL)**

#### **4. HNDSLTL (Environmental BiologyOption)**

In addition to the National Diploma requirement, the Candidate for Higher National Diploma in Science Laboratory Technology Environmental Biology, must possess at least lower Credit pass in National Diploma in Science Laboratory Technology and minimum of twelve (12) months of Supervised Industrial Experience.

In exceptional cases, ND Diplomas with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate industrial experience in the specific field may be considered for admission in to the HND programme.

#### **5. HNDSLTL (MICRO- BIOLOGYOPTION)**

In addition to the National Diploma requirement, the Candidate for Higher National in Science Laboratory Technology-Micro Biology must possess at least lower Credit pass in National Diploma in Science Laboratory Technology and a minimum of twelve (12) months of Supervised Industrial Experience.

In exceptional cases, ND Diplomas with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate industrial experience in the specific field may be considered for admission in to the HND programme.

## **6. HNDSLTL (Chemistry Option)**

In addition to the National Diploma requirement, the Candidate for Higher National in Science Laboratory Technology-Chemistry Option must possess at least lower Credit pass in National Diploma in Science Laboratory Technology and a minimum of twelve (12) months of Supervised Industrial Experience. In exceptional cases, ND Diplomas with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate industrial experience in the specific field may be considered for admission in to the HND programme.

## **7. HNDSLTL (Chemistry/Biochemistry Option)**

In addition to the National Diploma requirement, the Candidate for Higher National in Science Laboratory Technology-Chemistry/Biochemistry Option must possess at least lower Credit pass in National Diploma in Science Laboratory Technology and a minimum of twelve (12) months of Supervised Industrial Experience. In exceptional cases, ND Diplomas with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate industrial experience in the specific field may be considered for admission in to the HND programme.

## **8. HNDSLTL (PHYSICS WITH ELECTRONICSOPTION)**

In addition to the National Diploma requirement, the Candidate for Higher National in Science Laboratory Technology-Physics with Electronics, must possess at least lower Credit pass in National Diploma in Science Laboratory Technology and a minimum of twelve (12) months of Supervised Industrial Experience. In exceptional cases, ND Diplomas with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate industrial experience in the specific field may be considered for admission in to the HND programme.

## **C. DEPARTMENT OF MATHEMATICS AND STATISTICS**

- a. Certificate in Mathematics and Computer Science (CMCS) 2 Semester
- b. Diploma in mathematics and Computer Science (DMCS) 4 Semester
- c. National Diploma in Statistics (NDSTA) 4 Semester
- d. Higher National Diploma in Statistics (HNDSTA) 4 Semester

### **1. Diploma in Mathematics and Computer Studies (DMCS)**

The entry requirement into Diploma in Maths and Computer Science Programme are as follows:

- a. Four Credit level passes in GCE O/level or Senior Secondary Certificate Examination (SSCE) or any other equivalent qualification at not more than two sitting. The four Subjects must include Mathematics, Physics and any two other Subjects chosen from the following:
  - i. Economics /Commerce, Statistics/ Further Mathematics, Geography, Government/History, Chemistry, Biology, Agricultural Science /Home Economics/Animal Husbandry/Animal Health, Basic Electricity/ Electronics and Technical Drawing, ICT, plus relevant NTC/NBC.At least one of the two Subject should be a basic Science Subject.
- b. Candidate who have successfully completed the Certificate in Computer Science Programme may be admitted into the DMCS. Such candidate must have passes the CMCS with at least a lower credit.
- c. Any other qualification acceptable to the institution.

## **2. Certificate in Mathematics and Computer Studies (CMCS)**

The entry requirement into Certificate in Mathematics and Computer Science Programme are as follows: Two Credit level passes in GCE O/level or Senior Secondary Certificate Examination (SSCE) or any other equivalent qualification at not more than two sittings, one of the Credits must be in Mathematics and any one credit and two passes from the following:

- i.** Physics/Basic Electricity, Chemistry, Biology/Agricultural Science/Home Economics/Animal Husbandry/Animal Health Economics/Commerce, Electronics, Technical Drawing, Geography /Sport Science, English Language. plus relevant NTC/NBC.

## **3. National Diploma in Statistics**

- a.** English Language, Mathematics, a Basic Science and two other Subjects chosen from the following Economics Geography, Government/History. Further mathematics, physics, Chemistry, Biology, Agricultural Science/Animal husbandry/Animal health Typewriting, ICT, Civic Education, plus relevant NTC/NBC.

## **4. Higher National Diploma in Statistics (HNDSTA)**

In addition to the National Diploma requirement, the Candidate for Higher National in Statistics must possess at least lower Credit pass in National Diploma in Statistics and minimum of twelve (12) months of Supervised Industrial experience. In exceptional cases, ND Diplomas with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate industrial experience in the specific field may be considered for admission in to the HND programme.

## **COLLEGE OF AGRICULTURE**

### **A. DEPARTMENT OF AGRICULTURAL TECHNOLOGY**

1. Diploma in Agricultural Engineering Technology (DAET) 4 Semesters
2. Diploma in Home and Rural Economics (DHRE) 4 semesters
3. National Diploma in Agricultural Technology (NDAT) 4 Semesters

### **B. DEPARTMENT OF AGRICULTURAL EXTENSION**

1. Higher National Diploma in Agric Extension and Management (HNDAEM) 4 Semester

#### **Entry Requirement**

##### **i. Diploma in Agricultural Engineering Technology (DAET)**

- a. The candidate must have four (4) credit level passes in GCE, SSCE, etc which should come from the following: Mathematics or Physics and any three from Biology, Agricultural Science/Animal husbandry/Animal health, Home economics/Home Management, Crop Husbandry, Fisheries, Chemistry, Geography, Technical Drawing/Engineering Drawing, Auto Mechanic ICT, Civic Educ. and Metal Work. At least pass in physics or mathematics is compulsory.
- b. Any other qualification acceptable to the institution.

##### **ii. Diploma in Home and Rural Economics (DHRE)**

- a. The four (4) credit level passes must include Home Economics or Food and Nutrition or Home Management or Agricultural Sciences/Biology, Animal husbandry/Animal health, Home economics/Home Management, Crop Husbandry, Fisheries, and any three subjects from Mathematics, Geography, Economics/Commerce, History/Government, Religious Knowledge, ICT, Civic Education and any Nigerian Language. A pass in English Language is compulsory.

added advantages.

b. Any other qualification acceptable to the institution.

**iii. National Diploma in Agricultural Technology (NDAT)**

Biology/Agricultural Science, English language, Mathematics and any two of the following; Geography, Food and Nutrition, Economics/Commerce Technical Drawing, Physics, Chemistry, ICT, Animal health/Animals husbandry, Home Economics/Home Management, Fisheries, Crop husbandry, Nigerian Languages, Home Economics French Language, Civic Educ. At least a pass in Chemistry is Compulsory.

**iv. Higher National Diploma in Agric Extension and Management (HNDAEM)**

National Diploma in any Agricultural programme, the Candidate for Higher National Diploma in Agric Extension and Management must possess at least lower Credit pass in National Diploma in any Agricultural programme and minimum of twelve (12) months of Supervised Industrial experience. In exceptional cases, ND Diplomas with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate industrial experience in the specific field may be considered for admission in to the HND programme.

## **A. DEPARTMENT OF ANIMAL HEALTH AND PRODUCTION**

- i. National Diploma in Animals Health and Production Technology (NDAHPT) 4 Semesters

### **Entry Requirement**

- i. **National Diploma in Animals Health and Production Technology (NDAHPT)**
- a. Biology/Agricultural Science, English language, Mathematics and any two of the following; Geography, Food and Nutrition, Economics/Commerce Technical Drawing, Physics, Chemistry, ICT, Animal health/Animals Husbandary, Home Economics/Home Management, Fisheries, Crop Husbandary, Nigerian Languages, Home Economics French Language Civic Education .At least a pass in Chemistry is Compulsory .

## **COLLEGE OF BASIC AND PRELIMINARY STUDIES**

- |  |            |
|--|------------|
| 1. Diploma in peace and conflict resolution (DCPR) | 4 semester |
| 2. Diploma in Crime and Security Studies (DCSS)    | 4 semester |
| 3. Diploma in risk and Disaster management (DRDM)  | 4 semester |

### **ENTRY REQUIREMENTS**

#### **1. Diploma in Peace and Conflict Resolution (DCPR)**

##### **EVENING PROGRAMME.**

To qualify for Admission into Diploma in peace and Conflict Resolution, students must have four a-(4) credits in WAEC, NECO, NABTEB, SIS/HIS or GCE Exams including English language and any other three subjects from the list below in not more than two sittings  
History, Government, Geography, Hausa, I.R.S, Economics, Biology, Physics, Chemistry, Nigerian and international Language, Religious Knowledge, Marketing.

- b. Any other Certificate acceptable to the Institution with a minimum of lower credit or with a pass and one year working experience.

## **2. Diploma in Crime and Security Studies(DCSS)**

- a. A holder of CPA, CPAA,CLGS, CCDAE, with a pass and at least one year working experience

The West African School certificate'(WASC),General Certificate of Education ,Ordinary level (GCE O/L),Senior Secondary Certificate (SSCE) or any other equivalent qualification with credit pass in English language and any other three Subjects from the list below and with at least a pass in Mathematics ,Accounts, Economics /Commerce, Geography, Government/History, Agricultural Science, Biology/Health Science, CRK/IRK, Home Economics, Home Management, Business Studies,Statistics, CivicEducation,ICT.

## **3.Diploma in risk and Disaster management(DRDM)**

- a. A holder of CPA, CPAA,CLGS, CCDAE, with a pass and at least one year working experience

The West African School certificate'(WASC),General Certificate of Education ,Ordinary level (GCE O/L),Senior Secondary Certificate (SSCE) or any other equivalent qualification with credit pass in English language and any other three Subjects from the list below and with at least a pass in Mathematics ,Accounts, Economics /Commerce, Geography, Government/History, Agricultural Science, Biology/Health Science, CRK/IRK, Home Economics, Home Management, Business Studies,Statistics, CivicEducation,ICT

## **COLLEGE OF ENGINEERING**

### **A. DEPARTMENT OF CIVIL ENGINEERING**

- |   |             |
|---|-------------|
| 1. Certificate in Civil Engineering             | 2 semesters |
| 2. National Diploma in Civil Engineering (NDCE) | 4 Semesters |
| 3. HND in Civil Engineering (HDCE)              | 4 Semesters |

### **ENTRY REQUIREMENTS**

#### **i. Certificate in Civil Engineering**

- a. Candidate must have two Credits (Pass in Mathematics is mandatory) and 2 ordinary passes in WAEC/SSCE/GCE/NABTEB or any other equivalent qualification at not more than two sittings in the following: Biology, Agricultural Science, Chemistry, Physics, Geography, Economics/commerce, English and Trade Subjects.

Trade Test Certificate I, II, and III with an SSCE/GCE/NABTEB attempted

#### **ii. National Diploma in Civil Engineering (NDCE)**

SSCE or its equivalent (Teachers Grade II, NTC, WASEC, GCE) with passes at credit level in English language, Mathematics, Physics and Chemistry and one Subject from Biology/Agricultural Science, Technical Drawing Wood Work, Further Mathematics, Geography, Economics/Commerce, ICT, Civic Education plus any trade course of NTC/NVC.

#### **iii. Higher National Diploma in Civil Engineering (HNDCE)**

##### **Entry Requirements:**

In addition to the National Diploma requirement, the candidate for Higher National Diploma in Civil Engineering must possess at least lower credit pass in National Diploma in Civil Engineering and a minimum of twelve (12) Months of Supervised Industrial experience.

In exceptional cases, ND with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate Industrial experience in the specific field may be considered for admission in to the HND Programme

## **B. DEPARTMENT OF ELECTRICAL ENGINEERING**

- i. Certificate in Electrical Engineering 2 semesters
- ii. ND in Electrical and Electronics Engineering (NDEE) 4 Semester
- iii. HND Electrical Engineering (Electronics/Telecom Option)  
4 Semester

### **Entry Requirements**

#### **i. Certificate in Electrical Engineering**

Candidate must have two Credits (Pass in Mathematics is mandatory) and 2 ordinary passes in WAEC/SSCE/GCE/NABTEB or any other equivalent qualification at not more than two sittings in the following: Biology, Agricultural Science, Chemistry, Physics, Geography, Economics/commerce, English and Trade Subjects.

#### **ii. National Diploma in Electrical and Electronics Engineering (NDEE)**

- a. Five (5) Credits level passes at SSCE or its equivalent at not more than two sittings. The Five Subjects must include Mathematics, Physics, English Language, Chemistry and one of the following Subject; Biology /Agricultural Science, Chemistry, Technical Drawing, Basics Electronics, Basics Electricity, Further Mathematics Television, Electronic Device and Circuits, Auto Electricity, Cable Jointing and Battery, ICT, Economics/Commerce, Geography Civic Education, plus any trade course of NTC/NVC.

- a) National Technical Certificate (NTC) in Electricity Trade with Credit passes in Mathematics, Physics and one other Subject. Also a pass in English is Language is mandatory.

**iii. HNDElectrical Engineering (Electronics/TelecommunicationOption)**

**Entry Requirements**

In addition to the National Diploma requirement, the candidate for Higher National Diploma in Electrical/Electronic Engineering power option and Electronics/Telecommunication Option, must possess at least lower credit pass in National Diploma in Electrical and Electronics Engineering and a minimum of twelve (12) months of Supervised Industrial experience.

In exceptional cases, ND with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate Industrial experience in the specific field may be considered for admission in to the HND programme.

**C. DEPARTMENT OF MECHANICAL ENGINEERING**

- i. Certificate in Mechanical Engineering 2 semester
- ii. National Diploma in Mechanical Engineering (NDME) 4 Semester
- iii. HND- Mechanical Engineering Production option 4 Semester

**ENTRY REQUIREMENTS**

**i. Certificate in Mechanical Engineering**

Candidate must have two Credits (Pass in Mathematics is mandatory) and ordinary passes in WAEC/SSCE/GCE/NABTEB or any other equivalent qualification at not more than two sittings in the following: Biology, Agricultural Science, Chemistry, Physics, Geography, Economics/commerce, English and Trade Subjects

**ii. National Diploma in Mechanical Engineering (NDME)**

- a. Five (5) Credits level passes at SSCE or its equivalent { N.T.C, W.A.E.C, G.C.E} is not more than two sittings which must include Mathematics, English Language, Physics, Chemistry and one other Subject from the following; Biology/Agricultural Science, Mathematics, Economics/Commerce, Statistics, Technical Drawing, Auto Mechanics/Metal Work, ICT, Geography, Civic Education, plus any trade course of NTC/NVC.
- b. National Technical Certificate (NTC) with Credit passes in Mathematics, Integrated Physical Science, English Language and Mechanical Trade Areas.

**iii. HND Mechanical Engineering (Production Option)**

**Entry Requirements**

In addition to the National Diploma requirement, the candidate for Higher National Diploma in Mechanical Engineering must possess at least lower credit pass in National Diploma in Mechanical Engineering and a minimum of twelve (12) months of Supervised Industrial experience.

In exceptional cases, ND with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate Industrial experience in the specific field may be considered for admission in to the HND programme.

**D. DEPARTMENT OF CHEMICAL ENGINEERING**

**i. Diploma in Chemical in Engineering**

**Entry Requirements**

The entry requirement into Diploma in Chemical Engineering programme are

as follows;-

Candidates for admission into the programme should have:

- i. A minimum of four credits level passes in at most two sitting In senior secondary school certificate (NECO OR WAEC ) or General Certificate of education GCE ordinary level or NTC which must include ; mathematics, chemistry, physics and any of the following:-

Biology, Agric Science, Technical Drawing, Further Mathematics, Statistics, Basic Electronic, Metal work, Economics, Geography ICT and at least a pass in English language, plus relevant NTC/NBC trade.

## **COLLEGE OF ENVIROMENTAL STUDIES (CES)**

### **A. DEPARTMENT OF BUILDING TECHNOLOGY**

- i.** Certificate in Carpentry and Joinery (CCJ) 2 Semesters
- ii.** Certificate in Building Technology (CBT) 2 Semesters
- iii.** National Diploma in Building Technology(NDBT) 4 Semesters
- iv.** Higher National Diploma in Building Technology 4 Semesters

#### **i. Certificate in Carpentry and Joinery (CCJ)**

- a. Candidate must have two Credits (Pass in Mathematics or Physics, is mandatory) and 2 ordinary passes in WAEC/SSCE/GCE/NABTEB or any other equivalent qualification at not more than two sittings in the following: Biology, Agricultural Science, Chemistry, Physics, Geography, Economics/commerce, English and Trade Subjects. Trade Test Certificate I, II, and III with an SSCE/GCE/NABTEB attempted.

#### **ii. Certificate in Building Technology (CBT)**

Candidate must have two Credits (Pass in Mathematics or physics, is mandatory) and 2 ordinary passes in WAEC/SSCE/GCE/NABTEB or any other equivalent Qualification at not more than two sittings in the following:  
Biology, Agricultural Science, Chemistry, Physics,  
Geography, Economics/commerce, English and Trade Subjects.  
Trade Test Certificate I, II, and III with an SSCE/GCE/NABTEB attempted.

**iii. National Diploma in Building Technology (NDBT)**

Five (5) Credits level passes at SSCE or its equivalent (N.T.C, W.A.E.C, G.C.E, O/level) to include physics, Mathematics English Language and any other two Subjects from the following; Chemistry, Biology, Geography, Technical Drawing/Fine Arts, further Mathematics and Commerce/Economics obtained at not more than two sittings Bricklaying, Block Laying, Concreting, Wood Work, Introduction to Building, Carpentry and Joining and ICT, Religious Knowledge, plus any trade course of NTC/NVC.

**iv. HND-Building Technology**

**ENTRY REQUIREMENTS:** - In addition to the National Diploma requirement, the candidate for Higher National Diploma in Building Technology must possess at least lower credit pass in National Diploma in Building Technology only and a minimum of twelve (12) months of Supervised Industrial experience.

In exceptional cases, ND with a pass (CGPA of 2.00-2.49) in the ND examination that had two or more years of Cognate Industrial experience in the specific field may be considered for admission into the HND programme

## **B. DEPARTMENT OF URBAN REGIONAL PLANNING**

- i. Certificate in Environmental Science (CES) 2 Semester
- ii. Diploma in Environmental Science and Resource mgt (DERM) 4 semester
- iii. Diploma in urban and regional planning (DURP) 2 semester

### **i. Certificate in Environmental Science (CES)**

- a. Candidate must have two Credits (Pass in Mathematics or physics, is mandatory) and 2 ordinary passes in WAEC/SSCE/GCE/NABTEB or any other equivalent qualification at not more than two sittings in the following: Biology, Agricultural Science/Animal health/Animal Husbandry, Marketing, Civic education Chemistry, Physics, Geography Economics/commerce, English and Trade Subjects.

Trade Test Certificate I, II, and III with an SSCE/GCE/NABTEB attempted

### **ii. Diploma in Environmental Science and Resource MGT (DERM)**

The Candidate must have a credits in Mathematics or Geography and 3 Credit from the following Subjects: English Language, Economics, Statistics, Art/Technical Drawing, Biology, Agricultural Science /Animal health/Animal Husbandry, Marketing, chemistry, Physics, Civic Education, ICT

**Certificate in environmental science or Equivalent**

### **iii. Diploma in Urban and Regional Planning (DURP)**

The Candidate must have a credits in Mathematics or Geography and 3

Credit from the following Subjects: English Language, Economics, Statistics, Art/Technical Drawing, Biology, Agricultural Science /Animal health/Animal Husbandry, Marketing, Chemistry, Physics, Civic Education, ICT.

### **C. DEPARTMENT OF QUANTITY SURVEY (DQS)**

#### **1. Diploma in Quantity Survey (DQS)**

##### **Entry requirements**

Four (4) Credit level passes at SSCE or its equivalent (NTC, WASC, GCE O/level) to include credit in Mathematics or Physics and at least pass in English language and three Subject from the following; Chemistry, Biology, Economics/Commerce, Technical Drawing/Fine Art, Geography, Further Mathematics, Wood Work Religious knowledge, Civic Education, ICT, and English Language .

### **D. DEPARTMENT OF ARCHITECTURAL TECHNOLOGY (DARC)**

#### **1 Diploma in Architectural Technology (DARC)**

Four (4) Credit Level passes at SSCE or its Equivalent (NTC ,WASC ,GCE O/level) to include Credit in Mathematics or Physics and at least pass in English Language and Three (3) subject from the Following ;Biology Fine Art, English Language, Chemistry, History, Geography, Further mathematics ,Economics/Commerce, Religious Knowledge, Technical Drawing ,Business Method, ICT, Civic Education.
